

REMARKS

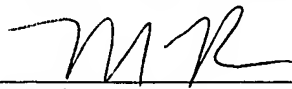

In reply to the outstanding Restriction Requirement, mailed May 10, 2006, in connection with the above application, Applicants hereby elect with traverse Group I, claims 1-39 drawn to medicament delivery devices. Applicants elect this invention with traverse because the inventions of Groups I and II are directed to overlapping subject matter. This is evidenced by the fact that the inventions of Groups I and II are classified in the same class. Applicants respectfully submit that searches of the inventions of Groups I and II are co-extensive and that the inventions of Groups I and II can be examined simultaneously without significant additional burden. Accordingly, Applicants respectfully request that the inventions of Groups I and II be rejoined, and that prosecution on the merits proceed for claims 1-41.

CONCLUSION

Claims 1-42 constitute the pending claims in the present application. Applicants elect with traverse Group I. If any clarification of the above response would facilitate prosecution of this application, Applicants respectfully request that the Examiner contact the undersigned at 617-951-7000. Should an extension of time be required, Applicants hereby petition for same and request that the extension fee and any other fee required for timely consideration of this submission be charged to **Deposit Account No. 18-1945, under Order No. CPHM-P01-001.**
